# ROAD TRIP

## *Syl & Shirley's Road Trip*

HI, we left West Coast Kustoms car show in Santa Maria Ca. and headed to San Berdo CA.

Spent the night in the parking lot at AMF bowling lanes San Berdo on Orange Show road.

Rise and shine in the morn and displayed the car .

Attendants was about 200 cars.

Weather was excellent and by the end of the day was told that we got best of show!

OK we left San Berdo and headed for Huntington beach, Could not get a RV park for overnight so found a side street and camped overnight ,cool eh.

Headed to the Huntington Beach Concour D' Elegance and set up the car and cleaned like I never have ever before , what a chore .

No dirt what so ever could be seen. When the judges (3 to 5 of them) came around you could not speak to them and could not wipe your car.

They started with everything closed up, and systemati-cally open things up. start with 100 points total.

I came in second in the pre 42 hot rod class .A red 32 hiboy kit car took first. The owner owns Speedway engi-neering, makes

Quick change rear ends and suspensions and Grand Na-tional stock car floating axles, high dollar stuff. This was his display car. All chrome front and rear suspen-sion.

The red 49 Merc is Bill Edgington's, He took first place 42 and up hotrod class.

The theme for the Concourse was Cadillac's and Bent-ley. This year's show attendants were down by half.
